1.3   The Web

The class web page can be found at:

> `http://graphics.stanford.edu/courses/cs348a-04-winter`

We want this page to be the first place you go to for course information. The site should evolve quickly as more course materials become available.

1.4   Handouts

Paper copies of the handouts will be brought to class the day they are given out. After that, all handouts will be available on the class web page, except for solutions to the problem sets.

1.5   News

There will be a newsgroup, `su.class.cs348a`, meant for discussion pertinent to the class.
